NOTES

Page 12. LOCAL TAX REVENUE

Data in this table is as reported by individual county governments on the Revenue Sharing Form RS-9. The 'total' figures include: (1) all taxes levied specifically for a particular county - whether collected by the county or the state government, such as property, sales and gasoline taxes and (2) all licenses, fees and permits such as auto tags, drivers license, privilege license, hunting permits, etc. County officials' fees or commission deducted from taxes, permits or licenses are also included.

Pages 16 and 17. COUNTY SCHOOLS

Expenditures in the ***Annual Reports*** of the State Board of Edcuation do not include certain monies distributed at the State level, primarily textbooks, teacher retirement, and Social Security, therefore, per pupil expenditures computed from these ***Reports*** are lower than those figured at the national level by state and reported in the ***Statistical Abstract of the United States***. In addition, the county figures reported on pages 16 and 17 do not include expenditures, pupils or teachers in the 60 city school systems in the State which enrolled 238,839 pupils in 1977-78, nor are private schools included which enrolled approximately 29,000 pupils in 1977-78.

Page 45. JUVENILE COURT STATISTICS

Official cases are those that are placed on the official court calendar for adjudication by the judge through the filing of a petition. Unofficial cases are those that are not placed on the official court calendar through the filing of a petition but are handled informally by the judge, probation officer, or other officer of the court. Juvenile court statistics are not necessarily a reliable index of the extent of delinquency; however, they do indicate how frequently the juvenile court is utilized in dealing with cases of delinquency, dependency or neglect.

Page 53. FEDERAL OUTLAYS

Some of the programs included in these departments:
Dept. of Agriculture: Food Stamp, School Lunch, Agricultural Conservation (ASCS).
Dept. of Defense: Civilian Pay, Active Duty Military Pay, Retired Military Pay, Military Prime Contracts.
Dept. of Health, Education and Welfare (HEW): Social Security Retirement and Survivors Insurance (only), Higher Education, Crippled Children, Medicaid, Medicare, Public Assistance, Vocational Education.

Page 67. OCCUPIED HOUSING

Substandard (inadequate) dwelling units are those which possess one or more of the following characteristics: (1) 30 or more years old and valued at $5,000 or less -- $7,500 or less in SMSAs; (2) lack some or all plumbing facilities; (3) house more than 1.25 persons per room, or (4) cost the household more than 25% of income for rent.
